I enjoy studying, reading books, drawing, and playing with my friends. We celebrate many festivals, competitions, and special events in our school. I always follow the school rules, respect my

teachers, and keep my school clean. I am proud to be a student of New Stewart School. I love my school very much.

THE RAINY SEASON

The rainy season is one of my favourite seasons. It usually begins after the hot summer. Dark clouds fill the sky, and cool winds blow. The rain makes the weather pleasant and fresh. Trees, plants, and flowers become green and beautiful. Farmers are happy because rain helps their crops grow well. Children enjoy making paper boats and playing in the rain with umbrellas and raincoats. We should avoid getting wet for a long time to stay healthy. Rainwater is very useful, so we should save it whenever possible. The rainy season brings happiness, beauty, and new life to nature.
